

Get It is run many times when we just need to get the ball in bounds. 3 takes the ball out and the rest of the players are in line- 5, 1, 4, 2. When the ball is handed in, 5 screens for 1 who can cut either way- towards half court or to the corner. 5 goes opposite 1. 4 screens for 2 who cuts to the top of the lane, and 4 comes back hard to ball. Shown in Diagram 5.

Open Door. This option is used with a short clock situation. 2 comes off triple stack and 4 opens the door to get 1. After 1 comes off 5 rolls over 4 for lob. 4 comes back to the ball. Shown in Diagram 6. **Open Door Counter** is when 2 goes to the corner and 1 zippers up, 5 then gets screen from 4 and comes up to the elbow. 4 receives pass and 1 runs back door. If 1 isn't open, 5 runs dribble hand off with 2. Shown in Diagram 7.
